

PACKING INSTRUCTIONS

This drive can be done at a workplace or as a family activity.

1. PREPARE

- **Home-based project:** Find a sturdy box that can hold all items*. Amazon and other large delivery boxes work well. Purchase from the list below. Skip the workplace section and jump to 'Pack Box(es)' section
- **Workplace drive:** Use large boxes that employees can drop off the items in.
- Decorate the boxes for a fun employee drive including the list of suggested items from below. Have a deadline date and promote the list of items needed.

2. PACK BOX(ES)

- Use our checklist to pack each of the final boxes from the donations in the larger collection boxes.
- Place the heaviest items at the bottom (boots especially).
- Close but do not seal your box! We welcome your personal touches. You may wish to write a small message of encouragement as a note inside each box, or your children/staff may choose to decorate the boxes themselves with their artwork.

3. DROP OFF

- Write '**United For Warmth Drive**' on top of each box and include the packing list found at: oaunderway.org/united-warmth
- Donations can be dropped off in the third floor lobby of United Way on **October 27** or **November 2** between 9am-5pm: **115 Clover St., Holland, MI 49423.**

4. SHARE YOUR LIVE UNITED SPIRIT ON SOCIAL MEDIA, AND TAG GREATER OTTAWA COUNTY UNITED WAY

- Post a video/picture to social media of your project, using the hashtag **#LIVEUNITED** and **#UnitedForWarmth**
